THE FIRST EVER

# OMODA C7

THE O-DACITY

Visuals for illustration purposes only. E&OE.

# THE NEW LOOK OF MOTION

## THE O-DACITY

Not designed to follow the line. Designed to draw it.  
Unmistakable, deliberate, and dressed in non-conformity.

# EXTERIOR DESIGN

THE SILHOUETTE SPEAKS

Bold geometry. Clean lines. Surfaces that shape shadow and light like fabric in motion.

## NEW AND IMPROVED CHASSIS

1

### **Advanced Chassis Dampening**

Beneath the surface, Hydraulic Bushings and Dual Hydraulic Mounts absorb vibration, soften impact, and create a cabin that feels calm, balanced, and beautifully refined.

2

### **Precision-Engineered Agility**

Precision and poise. The Wraparound Monobloc Steering Knuckle anchors the drive with rigid confidence, delivering sharper turns, seamless control, and a ride that feels beautifully composed.
